Width:

2.380 inches

Thickness:

0.320 inches

Length:

5.500 inches

End Application:

1430-01-219-5560

Product Name:

Meter mounting plate

Special Features:

Used on patriot

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Paint

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
