**Overall Length:**

2.370 inches

**End Application:**

Rlst

**Product Name:**

Rod, adjustment, mount, shelter

**Special Features:**

Material, 20 ga (.0355 thk) sheet, stainless steel, type 304, per qq-s-00766 and astm a240, surface treatment, passivate per qq-p-35

**Material:**

Stainless steel, type 304

**Surface Treatment:**

Passivate

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
