First Leg Length:

4.250 inches

Second Leg Length:

3.000 inches

End Application:

HEAV-YE-XPA-NDED

First Leg Thickness:

0.135 inches

Second Leg Thickness:

0.135 inches

Center Section Thickness:

0.135 inches

Product Name:

Bracket, quick release valve

Material:

Steel

Material Specification:

Astma569-91 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
