Overall Height:

1.157 inches

End Application:

Lamps mark iii, sh-60b helicopter

Product Name:

Retainer, ball and spring, machined

Material:

Steel

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, ty ii, cl 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-a-8625 spec.
