Width:

4.375 inches

Thickness:

0.063 inches

Length:

8.500 inches

Mounting Hole Diameter:

0.109 inches all holes

Mounting Hole Quantity:

6

Mounting Hole Type:

Unthreaded

Special Features:

Multiple mounting holes

Material:

Aluminum alloy 5052

Material Specification:

Aa-q-250/8 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
