Width:

8.080 inches

Thickness:

0.125 inches

Length:

10.360 inches

Mounting Configuration:

Multiple mounting holes, not equally spaced

Material:

Aluminum alloy 5052

Material Specification:

Aa-q-250/8 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
