**Width:**

8.080 inches

**Thickness:**

0.125 inches

**Length:**

10.360 inches

**Mounting Configuration:**

Multiple mounting holes, not equally spaced

**Material:**

Aluminum alloy 5052

**Material Specification:**

Aa-q-250/8 federal specification single material response

**Shape:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A530d0
