**Mounting Hole Quantity:**

3

**End Application:**

F/a-22 raptor

**Product Name:**

Support, assembly of

**Special Features:**

0.063 inches thick

**Material:**

Aluminum alloy

**Material Specification:**

Ams 4347 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A042a0
