Overall Length:

1.500 inches

Overall Width:

0.910 inches

End Application:

F-22 raptor

Fastening Device Type:

Latch pawls

Special Features:

Manufacturer's name is fixed cavity type with threadless low profile clam-shell closure

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
