Tongue Hole Type:

Round, unthreaded

Diameter:

0.204 inches

End Application:

F/a-22 raptor

Loop Width:

0.375 inches

Loop Length:

0.750 inches

Special Features:

Cushion included

Material:

Aluminum alloy 2024 band

Material Specification:

Qq-a-250/5 federal specification single material response band

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A12700
