**Tongue Hole Type:**

Round, unthreaded

**End Application:**

F/a-22 raptor

**Special Features:**

Clamp, rectangular mount

**Material:**

Aluminum alloy 2024 band

**Material Specification:**

Qq-a-250/5 federal specification single material response band

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A12700
