Tongue Hole Type:

Round, unthreaded

End Application:

F/a-22 raptor

Special Features:

Clamp, rectangular mount

Material:

Aluminum alloy 2024 band

Material Specification:

Qq-a-250/5 federal specification single material response band

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
