Width:

0.436 inches

Thickness:

0.018 inches

Length:

14.306 inches

Mounting Hole Diameter:

0.128 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

End Application:

2840-01-284-4011

Material:

Nickel alloy

Material Specification:

Ams 5536 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
