End Application:

F-22 raptor

Product Name:

Wire support, elastomeric block

Special Features:

Th company calls this a wire support

Supplementary Features:

Width: 0750, height: 105892, diameter of both holes: .8125, .91586, between holes: .080

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
