End Application:

F-22 raptor

Product Name:

Retainer

Special Features:

Material inconel x-750 per ams 5542. Index type a. Size code 1453 (36.91).

Material:

Nickel alloy, ams 5542

Material:

Nickel alloy x-750

Material Specification:

Ams 5542 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-a
