Overall Diameter:

1.200 inches

End Application:

B-2 bomber aircraft

Inside Diameter Length:

0.500 inches

Special Features:

Protective cap cylindrical in shape

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6, alloy 2024, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539k0
