First Leg Length:

0.952 inches

Second Leg Length:

0.950 inches

Second Leg Hole Diameter:

0.205 inches

First Leg Style:

End radius

First Leg Hole Arrangement Style:

One hole

First Leg Angle:

90.0 degrees

Special Features:

Rockwell hardness c30-38

Material:

Stainless steel

Material Specification:

Ams5504 assn standard single material response

Style Designator:

Angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
