Overall Height:

104.9 millimeters

Mounting Hole Diameter:

8.7 millimeters

Mounting Hole Quantity:

1

End Application:

2320-01-354-4529

Special Features:

Thickness is 0.1975

Material:

Steel

Material Specification:

Astma36 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
