Width:

8.700 inches

Thickness:

0.370 inches

Length:

14.000 inches

Mounting Hole Quantity:

6

End Application:

Hunter

Material:

Nickel alloy 400

Material Specification:

Qq-n-281, class 1 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
