Inside Diameter:

0.391 inches

Flange Thickness:

0.062 inches

Distance Between Mounting Hole Centers:

1.750 inches

Flange Length:

2.250 inches

End Application:

Interim armored vehicle (iav), contractor logistics support (cls)

Flange Width:

2.250 inches

Distance From Flange To End:

0.560 inches

Shortest Distance Between Mounting Hole Centers:

1.750 inches

Flange Mounting Hole Diameter:

0.190 inches

Height:

1.062 inches

Style Designator:

Round four-hole flange

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A535s0
