Overall Length:
3.500 inches
Overall Width:
3.500 inches
End Application:
Used on a linear valve on the seawolf class ssn
Supporting Object/surface Attachment Method:
Four 0.575 mounting holes in each of 4 corners of the 3.500 inch by 3.500 inch square mounting flange
Material:
Aluminum alloy, qq-a-225/8, alloy 6061
Material:
Aluminum alloy 6061
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T08100
