**Overall Length:**

3.500 inches

**Overall Width:**

3.500 inches

**End Application:**

Used on a linear valve on the seawolf class ssn

**Supporting Object/surface Attachment Method:**

Four 0.575 mounting holes in each of 4 corners of the 3.500 inch by 3.500 inch square mounting flange

**Material:**

Aluminum alloy, qq-a-225/8, alloy 6061

**Material:**

Aluminum alloy 6061

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T08100
