Overall Height:

0.100 inches

Body Outside Diameter:

2.292 inches

End Application:

Left hand win

Product Name:

Retainer pilot spring

Material:

Steel, corrosion resisting

Material:

Stainless steel

Surface Treatment:

Passivate

Surface Treatment Specification:

Mil-s-5002 military specification single treatment response

Style Designator:

Irregular

Surface Treatment:

Passivated, mil-s-5002

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-a

Mil-std (military Standard):

Mil-s-5002 spec.
