Counterbore Depth:

0.250 inches

Length:

3.125 inches

Mounting Hole Diameter:

0.116 inches all holes and 0.121 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Product Name:

Plate, mounting, component assembly number 1

Material:

Aluminum alloy

Surface Treatment:

Chromate

Shape:

Rectangular

Surface Treatment Specification:

Mil-c-5541 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
