Overall Length:

14.870 inches

Overall Width:

7.000 inches

Material Thickness:

0.135 inches

Hole Quantity:

8

Distance Between Hole Centers:

13.120 inches

Special Features:

The four mounting slots (along the length) measure 0.406 in by 0.81 in; the four remaining holes (along height) have radius of 0.406 in

Material:

Steel

Style Designator:

Quadruple angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
