Overall Length:

12.000 inches

Overall Height:

2.500 inches

Overall Width:

0.750 inches

End Application:

Los angeles class ssn (688)

Material:

Aluminum alloy

Style Designator:

Err-090

Supplementary Features:

Drawing calls this a stop pad; end item is indicator assembly

Specification Data:

81346-astm-b150 professional/industrial association standard

Specification Or Standard:

C63200 alloy and bar form

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535I0
