**Overall Length:**

12.000 inches

**Overall Height:**

2.500 inches

**Overall Width:**

0.750 inches

**End Application:**

Los angeles class ssn (688)

**Material:**

Aluminum alloy

**Style Designator:**

Err-090

**Supplementary Features:**

Drawing calls this a stop pad; end item is indicator assembly

**Specification Data:**

81346-astm-b150 professional/industrial association standard

**Specification Or Standard:**

C63200 alloy and bar form

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A53510
