End Application:

Fwd fuselage; aircraft eagle f-15

Special Features:

Cover rear; see drawing for fabrication

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6, alloy 2024-t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539s0
