End Application:

Sh-2g seasprite helicopter

Special Features:

0.500 in. Diameter x 0.56; 0.125/0.129 in. Diameter hole in center

Material:

Steel, qq-s-764, type 303-canceled

Material:

Steel comp 303

Material Specification:

Qq-s-764, type 303-canceled federal specification single material response

Supplementary Features:

Part of lc-055g-12 compression spring; used on k60415 steering bar - hand (tail wheel)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-e
