End Application:

F/a-22 raptor

Product Name:

Base, hinge

Special Features:

15-5ph solution heat treated. Must meet class a ultrasonic inspection per mil-std-2154. Part of 5hg64002-211 assembly.

Material:

Stainless steel

Material Specification:

Sae-ams 5862 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-std-2154 spec.
