End Application:
F/a-22 raptor
Product Name:
Base, hinge
Special Features:
15-5ph solution heat treated. Must meet class a ultrasonic inpsection per mil-std-2154. Part of 5hg64002-211 assembly.
Material:
Stainless steel
Material Specification:
Sae-ams 5862 assn standard single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A042a0
Mil-std (military Standard):
Mil-std-2154 spec.
