Width:

11.350 inches

Thickness:

0.250 inches

Length:

12.500 inches

Mounting Hole Diameter:

0.720 inches all holes and 0.760 inches all holes

Mounting Hole Quantity:

6

Mounting Hole Type:

Unthreaded

End Application:

BRAD-LE-Y;2-3500

Product Name:

Plate, squad leader display, a3 bfist

Special Features:

Corners are chamfered 0.500x0.500; there are 4 holes 0.437-0.500 in diameter and 12 holes 0.138-32 unc-2 (on either side of the 6 mounting holes) - see drawing for placement

Material:

Aluminum alloy 5083 or aluminum alloy 5086

Material Specification:

Astm b209, 24k ys, 40k ts assn standard single material response

Surface Treatment:

Paint

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
