**End Application:**

E8 c joint stars aircraft

**Mounting Facility Quantity:**

2

**Mounting Method:**

Slot

**Product Name:**

Hook, support

**Special Features:**

This did not meet the requirements for ain hook, support. It is a hook assembly; closest ain is handle, hook

**Material:**

Steel comp 410 body

**Material Specification:**

Ams5505 assn standard single material response body

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A250a0
