**Overall Length:**

3.400 inches

**Overall Height:**

1.000 inches

**Overall Width:**

2.000 inches

**End Application:**

V-22 tilt rotor aircraft

**Criticality Code Justification:**

Agav

**Product Name:**

Safety bracket

**Material:**

Stainless steel

**Material Specification:**

Sae ams 5513h assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
