Overall Length:

3.400 inches

Overall Height:

1.000 inches

Overall Width:

2.000 inches

End Application:

V-22 tilt rotor aircraft

Criticality Code Justification:

Agav

Product Name:

Safety bracket

Material:

Stainless steel

Material Specification:

Sae ams 5513h assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
