**Overall Length:**

2.000 inches

**Overall Width:**

0.600 inches

**Material Thickness:**

Between 0.292 inches and 0.332 inches

**Mounting Hole Diameter:**

0.190 inches

**End Application:**

0r16783085

**Hole Quantity:**

2

**Mounting Facility:**

Threaded hole

**Opening Length:**

Between 1.260 inches and 1.300 inches

**Product Name:**

Strike, latch

**Special Features:**

Threads in mounting holes have 32 threads per in, and thread type is unf-2b (thru); all four corners are beveled at 0.13 in by 45 degrees; finish by passivating

**Height:**

Between 0.292 inches and 0.332 inches

**Material:**

Steel

**Style Designator:**

Surface

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A10600
