Width:

0.600 inches

Material Thickness:

0.060 inches

Length:

2.290 inches

End Application:

2320-01-412-0143

Mounting Method:

Mounting slots

Loop/holding Dimension:

0.820 inches

Prong/lip Length:

1.360 inches

Product Name:

Clip-insulatin retainer

Material:

Steel comp 1065

Material Specification:

Astm-a684 assn standard single material response

Style Designator:

Double grip

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
