**Overall Width:**

0.500 inches

**Material Thickness:**

0.051 inches

**End Application:**

F/a-18e

**Loop Length:**

0.875 inches

**Special Features:**

Mfg name: clamp, loop-cushioned, elongated; item has a wedge; cushion material is neopreme

**Material:**

Aluminum alloy

**Style Designator:**

Multiple loop

**Supplementary Features:**

Item holds 2 wires; has 2 holes at .204 inch diameter

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A12700
