Loop Clamp - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-501-4966

Overall Width:
0.500 inches
Material Thickness:
0.051 inches
End Application:
F/a-18e
Loop Length:
0.875 inches
Special Features:
Mfg name: clamp, loop-cushioned, elongated; item has a wedge; cushion material is neopreme
Material:
Aluminum alloy
Style Designator:
Multiple loop
Supplementary Features:
Item holds 2 wires; has 2 holes at .204 inch diameter
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A12700
