End Application:

4910-01-464-9809

Wheel Quantity:

1

Safe Operating Load Rating:

500.0 pounds

Material And Location:

Aluminum alloy body and plastic, polyurethane tire

Wheel Type:

Solid

Wheel Diameter:

5.000 inches

Effective Height:

6.500 inches

Tread Width:

2.000 inches

Special Features:

This caster does not have a break included

Style Designator:

Swivel offset

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25600
