Width:

10.750 inches

Thickness:

0.134 inches

Length:

10.000 inches

Mounting Hole Diameter:

0.375 inches first hole

Mounting Hole Quantity:

4

Mounting Hole Type:

Unthreaded

End Application:

4120-01-467-2638

Special Features:

Compressor mounting plate; outside holes (8) are 0.375 inl nom from top and bottom and 0.750 in. Nom from left side and right side; holes are 4.625 in. Nom apart from each other; inside holes (4) are 1.250 in. Nom from top and bottom and 0.750 in. Min and 1.250 in. Maximum from left side and right side; holes are 7.500 in. Nom from each other

Material:

Stainless steel

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
