Width:

0.880 inches

Thickness:

0.063 inches

Length:

1.250 inches

Material:

Aluminum alloy 5052

Material Specification:

Aa-q-250/8 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
