End Application:

Sh-2g seasprite helicopter

Special Features:

Assembly consists of clevis fitting kc85249-011 stock size 10.00 x 4.00 x 2.12, al aly 7050-t7451, ams 4050 and bushing flanged nas538-8p-032 and bushing, plain nas537-10p025

Material:

Aluminum alloy 7075 body

Material Specification:

Ams4050 assn standard single material response body

Supplementary Features:

Clevis beam fitting, cargo hook

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A264a0
