Flange Thickness:

0.250 inches

Overall Height:

0.810 inches

End Application:

Mk97mod0, mount

Design Type:

Flange

Special Features:

diameter is 3.550 in; controlling agency item name is mk97 large pintle train stop block

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536n0
