End Application:

Kc135 gatm a

Mounting Method:

Mounting slots

Product Name:

Tension take-up with zero tension release and adjustable swivel

Special Features:

Extended length of item with swivel closed is 34.200 in

Material:

Stainless steel

Surface Treatment:

Lubricant pivot

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
