Overall Length:

4.380 inches

Overall Height:

2.500 inches

Overall Width:

2.120 inches

End Application:

FUEL-PU-MP,-600G

Product Name:

Bracket assembly

Surface Treatment:

Chemical agent resistant coating (carc) aliphatic polyurethane, single component

Surface Treatment Specification:

Mil-c-53039 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-c-53039 spec.
