Width:

11.880 inches

Thickness:

0.500 inches

Length:

21.750 inches

Mounting Hole Diameter:

0.530 inches all holes

Mounting Hole Quantity:

10

Mounting Hole Type:

Unthreaded

End Application:

Consol gse

Features Provided:

Raised surface

Product Name:

Steering gear plate weld

Material:

Steel

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
