Overall Length:

1.480 inches

Overall Width:

1.160 inches

Mounting Hole Quantity:

4

Mounting Hole Type:

Threaded

Product Name:

Bracket, transition

Special Features:

Curved end, piece riveted in place

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
