**Thread Direction:**

Right-hand

**Overall Length:**

98.500 millimeters

**Center To Center Distance Between Mounting Facilities Parallel To Length:**

90.000 millimeters

**End Application:**

Jhmcs f-15lr

**Mounting Facility Quantity:**

2

**Handle Clearance:**

22.200 millimeters

**Product Name:**

Handle

**Color:**

Black

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11 federal specification single material response

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Mil-a-8625 type 1, class 1 or 2 military specification single treatment response

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A250a0

**Mil-std (military Standard):**

Mil-a-8625 spec.
