Mounting Hole Quantity:

4

End Application:

2420-66-148-7692, hmee (high mobility engineer excavator)

Reversible Feature:

Not included

Hinge Mounting Type:

Full mortise

Hinge Pin:

Included

Knuckle Quantity:

1

Knuckle Type:

Bushing

Special Features:

Allows door removal from hinge side; radial workload is 300 pounds; axial workload is 500 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A25100
